Referral Partner Information Packet

A practical overview for hospitals, case managers, community agencies, veteran support organizations, and other referral partners.

A housing option across Utah

2nd Chances Housing offers shared housing in separate homes for men and women, including veterans. Our approach is centered on stability, opportunity, and community.

Service area: All of Utah. Specific home addresses are shared after screening.

Housing overview

• Separate homes for men and women.

• Housing serving veterans.

• Furnished bedrooms.

• Selected utilities included; ask the house manager which utilities are included for a specific home.

• Wi-Fi included.

• Washer and dryer on-site.

• Fully equipped shared kitchen.

• Basic shared household supplies.

• Peer support and a community-oriented shared-living environment.

What residents can expect

Residents have access to furnished sleeping space and shared household amenities. The homes are intended to provide a stable shared-living environment. 2nd Chances Housing is housing, not a provider of treatment or medical services.

Screening and move-in process

1. Initial contact: The prospective resident or referral partner completes the website housing inquiry or referral partner form, or emails admin@2ndchanceshousing.com.

2. Initial screening: The house manager reviews the inquiry and follows up to discuss housing needs, general eligibility, and availability.

3. Application and information: The prospective resident completes the application and provides information needed for placement consideration.

4. Availability and expectations: The house manager explains the housing arrangement, monthly fee, resident agreement, and move-in requirements directly.

5. Confirmation: If approved and a space is available, the prospective resident receives confirmation and move-in instructions.

6. Move-in and orientation: The resident reviews and signs the resident agreement, receives information about the home, and gets settled.
